The photographer [Tyrell Hampton](#) is the Inaugural Winner of the Bal Harbour Shops Emerging Fashion Photography Award: an award created in 2021 to celebrate the work of an up-and-coming US-based fashion photographer under the age of 30 with a \$5,000 prize.

Carolyn Travis, publisher of Bal Harbour Magazine, worked with Cultured Magazine's Editor-in-Chief Sarah Harrelson on creating the award. The two came up with 30 candidates and collaborated with a jury of photographers and editors such as Alessia Glaviano of Vogue Italia and Michael Famighetti of Aperture.

Guest celebrated Tyrell's big moment at a three-course lunch in the Bal Harbour Shops courtyard during Art Basel Miami, where they listened to remarks by Carolyn and Sarah and a gracious thank you toast by Tyrell.
